

# 5<sup>th</sup> International Conference on Innovations in Computational Intelligence and Computer Vision **ICICV-2025** June 04-06, 2025

Jointly Organized by:  
CNR-NANOTEC, at the University of Calabria, Italy  
&  
Manipal University Jaipur, India

## CALL FOR PAPERS

ICICV 2025 invites industry professionals, academician, and researchers to submit their original, previously unpublished, high-quality research papers. The conference will focus on addressing research challenges in “Computational Intelligence” and “Computer Vision,” including but not limited to the following areas:

- Algorithms
- Artificial Intelligence
- Big Data
- Blockchain
- Cloud Computing
- Communication Networks
- Computational Intelligence
- Computer Vision
- Computing
- Cyber Physical Systems
- Deep Learning
- Data Analytics
- Databases & Data Mining
- Image Processing
- Internet of Things
- Machine Learning
- Optimization
- Natural Language Processing
- Pattern Recognition
- Robotics
- Security
- Sensor and *Ad-hoc* Networks
- Smart Systems
- Social Media Analytics
- Software Engineering
- Web Intelligence

## CONTACT US

 [helpdesk.muj@gmail.com](mailto:helpdesk.muj@gmail.com)  
 <https://iciv.co.in/>

 **Venue:**  
CNR-NANOTEC, at the University of Calabria,  
Cube 31/C, Via P. Bucci, 87036 Arcavacata (CS), Italy

## PUBLICATION

All accepted and presented papers will be submitted for publication in Lecture Notes in Networks and Systems (ISSN: 2367-3370) Indexed by SCOPUS, DBLP, INSPEC, SCImago, etc. Proposal Approved by Springer

## PAPER SUBMISSION

<https://cmt3.research.microsoft.com/ICICV2025>

## IMPORTANT DEADLINES

**Paper Submission:** Feb. 15, 2025  
**Notification of Acceptance:** Mar. 15, 2025  
**Camera ready copy:** Mar. 25, 2025  
**Registration:** Apr. 21, 2025

## PARTNER INSTITUTIONS

- Manipal University Jaipur, India
- CNR-NANOTEC, University of Calabria, Italy
- University of Southampton, UK\*
- University of Central Florida, USA
- Hansraj College, University of Delhi
